

TECHNICAL DATA SHEET

42810RP Quick Rust Preventive Aerosol

Product Description

Slide Quick RP employs a combination of fast evaporating solvents and oils to set up quickly on your mold surfaces, providing immediate protection against moisture and light acids. This unique "dry" package makes clean-up quick and easy when the mold is put back into production, saving time and money. The red tracing dye allows for visual verification of complete mold coverage.

Applications

Rust Preventive

Unit Package Description

16 ounce aerosol

Generic Description

Rust Preventive

Net Weight Fill

10 net ounces

UPC Code

858799000288
